

CITY CLERK TECHNICIAN I  
CITY CLERK TECHNICIAN II

DEFINITION

To perform a variety of responsible technical administrative duties in support of City Clerk functions including assisting in the preparation of the City Council agenda, the recruitment of City Board and Commission members, the maintenance of official records including, Resolutions, Ordinances, contracts, directives, and minutes approved and authorized by the City Council; and to receive and respond to questions and inquiries from the public, other City departments and outside agencies.

DISTINGUISHING CHARACTERISTICS

City Clerk Technician I – This is the entry level class in the City Clerk Technician series. Positions in this class typically have little or no directly related work experience and work under immediate supervision while learning job tasks. The City Clerk Technician I class is distinguished from the II level by the performance of less than the full range of duties assigned to the II level. Incumbents work under immediate supervision while learning job tasks, progressing to general supervision as procedures and processes of assigned area of responsibility are learned.

City Clerk Technician II - This is the journey level class in the City Clerk Technician series and is distinguished from the I level by the ability to perform the full range of duties assigned with only occasional instruction or assistance as unusual or unique situations arise. Positions in this class are flexibly staffed and are normally filled by advancement from the I level.
