## Share the Trail

Whether you're on foot or on wheels

### Bicycles

The rules of the road require bikes, like cars, to travel on the right. This also applies to our trails. *California Vehicle Code 21956*

Travel at a safe speed; yield to pedestrians.

When passing, slow down and move to the left when safe.

### Pedestrians

Pedestrians always use the left lane.

Stay in the proper lane so you aren't surprised by traffic coming up behind you.

When a cyclist approaches, step toward the shoulder to allow extra room for passing.

### All Trail Users

Don't block the trail; travel single file when the trail is busy.

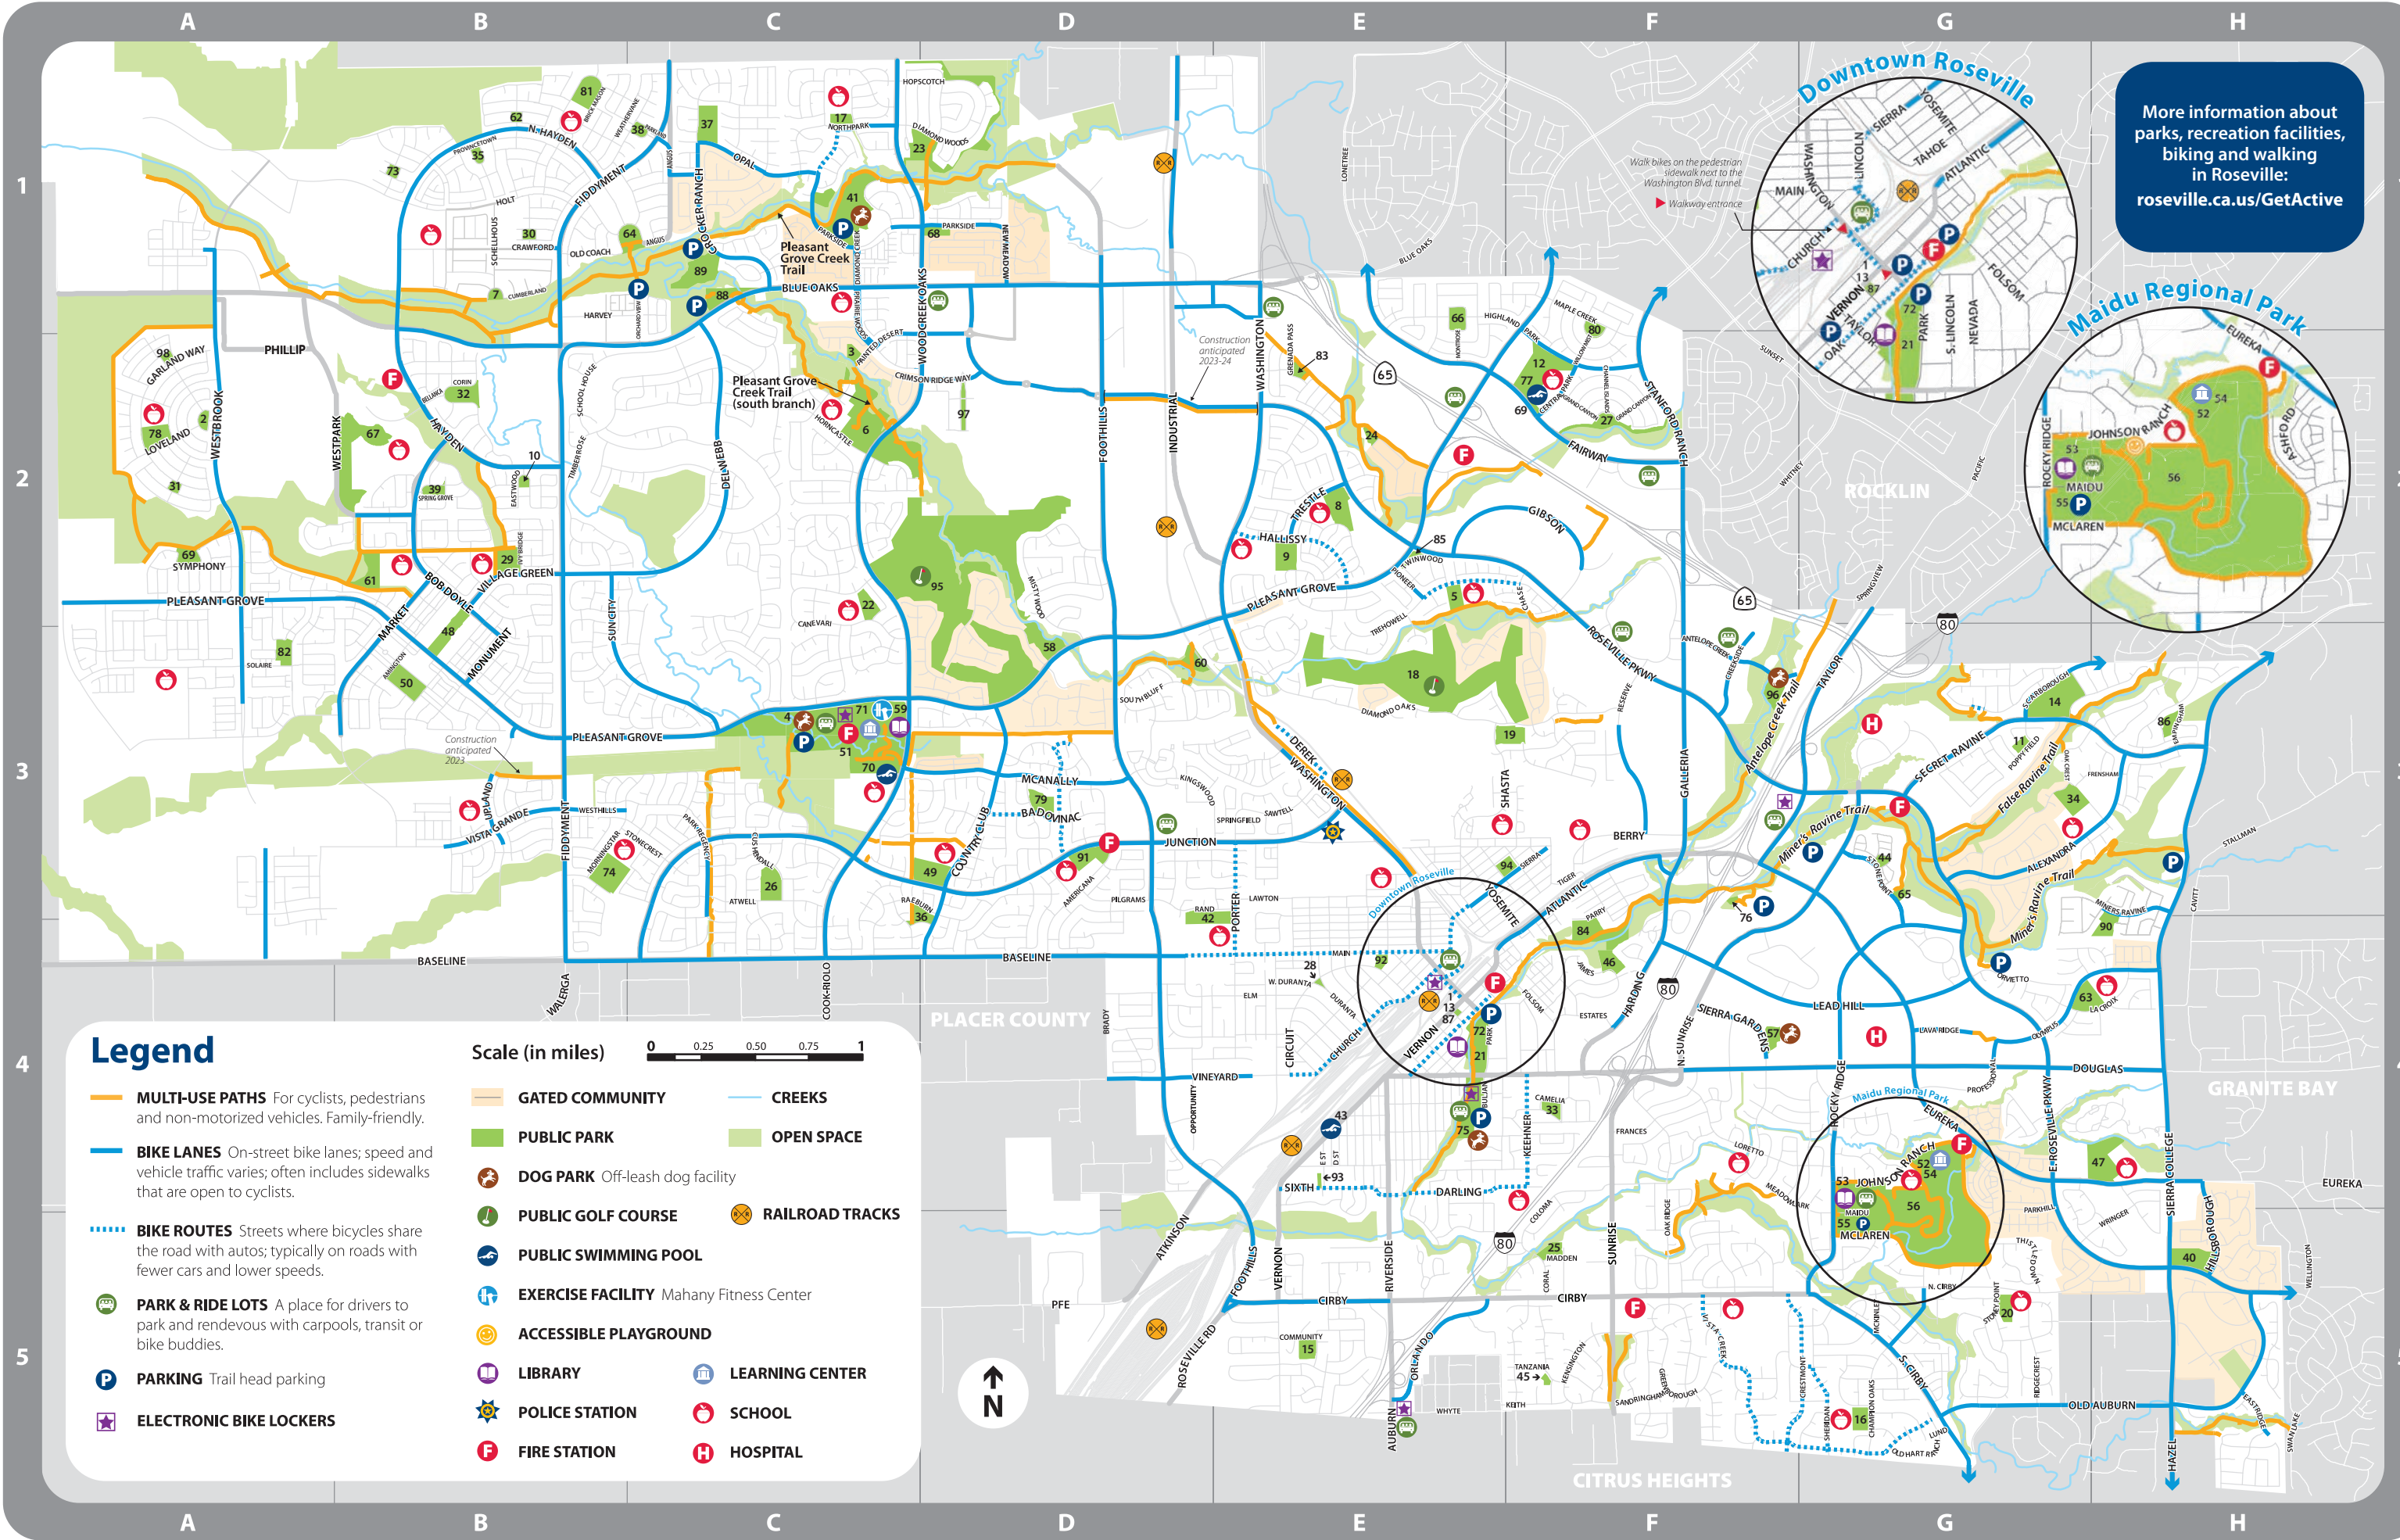

Keep dogs under control and on a leash no longer than 6 feet. *Municipal Code 7.04.060*

Stay alert to your surroundings.

### Rules of the Road

- Wear a helmet
- Obey all traffic signs and signals
- Ride on the right side of the roadway in the same direction as traffic
- Ride predictably
- Observe posted speed limits
- Scan for traffic and signal lane changes and turns
- Yield to pedestrians
- Use lights at night
- Ride single file

### Share the Road

If you're out for a drive and see a bicycle on the street, slow down and make some room. A bicyclist has the same right to be on the road as a motorist.

[roseville.ca.us/ShareTheRoad](https://roseville.ca.us/ShareTheRoad)

### Bike Locker Rentals

On-demand secure eLockers are available at several locations around town. eLockers are shown on the map with the 📍 symbol.

[roseville.ca.us/BikeLockers](https://roseville.ca.us/BikeLockers)

### Planning, Funding & Building Trails

Trails in Roseville are primarily funded through transportation funding.

In new neighborhoods, home developers enter into agreements with the City to construct trails paid for by development fees.

To learn more and view a master plan, visit [roseville.ca.us/bikeways](https://roseville.ca.us/bikeways).

### Walking Your Dog

Dog walking is allowed on multi-use paths. The law requires you to **pick up after your pet** and keep dogs on paved trails and on a **maximum 6' length leash**.

**Dogs are not allowed in parks except:** on multi-use paths which pass through parks, when dogs are assistance animals, or in dog parks.

### Safe Routes to School

Join your neighbors and walk, bike, skate or scoot your way to class. Follow these Safe Routes to School safety tips.

#### Pedestrians & Bicyclists

- Make yourself visible with brightly colored clothes. Use lights when it's dark.
- Always walk on sidewalks. If none are available, walk facing traffic, as far to the left as possible.
- Make eye contact with drivers before crossing the street.
- Bike in the same direction as traffic.
- Wear a properly fitting helmet and perform an "ABC" bike check (air, brakes, and chain).
- Stay alert to your surroundings.

#### Drivers

- Drive slowly in school zones and neighborhoods.
- Watch for pedestrians at all times.
- Yield to pedestrians. They have the right-of-way at any crosswalk or intersection.
- Be cautious when backing up.
- Never use your phone while driving.
