TERMS & CONDITIONS

- This program has a limited budget. Applications will be accepted on a first come, first served basis until funds are depleted.
- Applications must be postmarked no later than 90 days from purchase date.
- Customers may be eligible for additional rebates if there is a change in residence.
- By applying for this rebate you acknowledge that the rebate influenced your decision to install the energy efficient measure at your residence.
- Rebates may not exceed the cost of the energy efficient equipment.
- Contact City of Roseville's Building Department (916-774-5332) for permit requirements.
- Whole house fans, pool pumps, and shade trees must be installed at a single-family residence receiving electricity from Roseville Electric Utility. All energy efficient equipment must be purchased new at retail price. Products that have been resold, rebuilt, rented, leased, exchanged, won as a prize or have had new parts installed into existing products are not eligible for rebate.
- Roseville Electric Utility disclaims any and all liability, loss or damage that may arise as a result of the applicant's or contractor's participation in this program.
- Roseville Electric Utility is not responsible for items lost or delayed in the mail, nor any remittance delayed due to incorrect rebate applications.
- Roseville Electric Utility is not responsible for any taxes that may be imposed as a result of your receipt of any financial rebates from Roseville Electric Utility.
- Roseville Electric Utility reserves the right to verify both the efficiency and installation of equipment.
- Roseville Electric Utility may share my name, address, electricity usage or other needed information with a consultant for the purpose of on-site pre and post inspection.
